

TRANBERG CABLE PROTECTION

TEF 9178 190

CLADDING PENETRATION SYSTEM

HEAT TRACE ACCESSORIES

Heat cable protection kit

APPLICATION

- For heating cable protection

FEATURES AND BENEFITS

Complete system includes:

- Cladding penetration TEF 7730 004
- Adaptor for flexible conduit TEF 9178 191
- Adaptor for flexible conduit with cable gland TEF 9178 192

TECHNICAL DATA

Material flexible conduit:	Stainless steel.
Material cladding penetration:	Stainless steel.
Material gasket:	silicon
Material gland and washers:	Brass
Material adaptor:	Brass
Material lock nut:	Brass
